PROCEEDINGS

Status conference conducted. Government notes that it will not to seek the death penalty as to Lupe Mercado, Barry Gilton, and Antonio Gilton. These defendants will no longer be eligible for representation by two attorneys. The Court asks that effected defense counsel advise the Court at their earliest convenience who will continue as each defendant's representative. Reginald Elmore and Charles Heard will be subject to a longer process for determination as to whether the death penalty will be sought which incorporates submission of defense mitigation. It is unclear whether or not this process will also apply to Alfonzo Williams. Government indicates that the filing of a superseding indictment is likely but not certain, and a time table for that filing has not been established.

Parties will return on May 8, 2014 at 1:30 p.m. for hearing on the Government's motion for a protective order as to discovery. Any defendant who does not wish to be personally present for that hearing may file a waiver of appearance.
